SCOUTING PACKAGE

| | |
|-------------------------------|--------------|
| Single Athlete | \$250 |
| Team discount: 2 - 4 athletes | \$200/player |
| Team discount: 5 + athletes | \$150/player |

The Scouting Package is an important portfolio for those elite athletes hoping to garner attention from scouts and prospective teams.

- **Includes 10 full resolution action images, as well as a clear headshot of the athlete without their helmet or cage.**

- **"commercial license" to allow sharing with scouts, scouting websites, or other teams for press releases and roster pics.**

It is important to note that taking social media screenshots and giving these to organizations for public use is against copyright laws. Most reputable organizations will require properly licensed, high resolution photos of your athlete before they will use or publish them.

All packages must be ordered before game start.
